TERM 4 WEEK 2

Cultural Day

Last Friday, students and staff joined St Joesph's and the Pre-school for a cultural day at Memorial Park.

Students rotated through 14 stations. The activities originated from many countries around the world. Some included: Chile, Greece, Japan.

The students were lucky enough to have Shane and Taleh from National Parks to do the traditional Aboriginal activities of boomerang throwing and rope making with them. The highlight of the day was the African drumming station, where each child got to play their own drum. The staff were very impressed with the behaviour and level of participation of the students throughout the day. Thank you to the pre-school for inviting us and organizing the day. It was very enjoyable.
