The SRC have been very busy

Early on in the year the SRC decided they wanted to raise money for local services.

In Term 2, we decided to raise some money for the Tumut Hospital Children's Ward. We held a "Red Day" for which everyone wore their favourite red clothing to school and we had a sports tabloid in the afternoon. We also had a 'Red' colouring in competition and 'Red' Jelly Bean guessing competition. After all that, on Wednesday this week, we presented Megan Crain from Tumut Hospital with a bag of donated DVDs for the Children's Ward, a box of colourful stickers and \$110.

Pictured with Megan Crain are the School Captains – Tannika, Claudia, Sped and Benjamin, together with our Year 5/6 helpers – Lily, Ronan, Annika, and Ella, who are showing off some of the DVDs, the box of stickers and the donation.

In Term 3, we decided to raise some money for SMART – Snowy Mountains Animal Rescue Team. They are an animal welfare charity that dedicates their time to helping animals find their way into lifelong loving homes. They also take in farm animals and help them find homes. So, for them we held a favourite colour day, where everyone could wear their sports team colours, or just their favourite colours. We raised just over \$100, with which we bought 40kg of dog biscuits and two dozen tins of dog food. We also had a number of towels donated which were gratefully received. On Tuesday, Lorene Cross from SMART came to our school with a 'little' dog called Benson. Benson is a Saint Bernard and he was huge.... She gave us a little talk about what SMART does and then we presented her with all our goodies, plus patted Benson.

Pictured with our special visitors are some of our school captains – Benjamin, Claudia and Tannika, unfortunately Sped was away but he was very involved with helping us raise the money for SMART.

Thank you to all the parents who have helped us to raise the money and donated items for these two great services.
