Harmony Day Tuesday 21 March

It was wonderful to have Gadara Public School to help us celebrate Harmony Day on Tuesday. Thankfully, the weather was kind to us, raining heavily when we were inside, and the outside activities went ahead as planned!

The children from Gadara arrived about 10 O'clock, and the day started in the library to discuss the theme for the day, 'You + Me = Us'. Harmony Day is about accepting differences, a day of respect for everyone who calls Australia home.

Before recess, the children worked in four groups to complete new artworks for the hall. Each child decorated their traced footprint for petals on a flower, with the group's individual photographs pasted in the centre. The children can be very proud of their efforts.

After recess, the children had a great time at a disco in the library. The SRC did a wonderful job running this time together.

The disco was followed by a popular lunch – tacos, fried rice and an ice-block. The weather was fine for a play together, and it was lovely to see the children mixing so well, and enjoying each other's company.

Special thanks goes to Rachel Brown and Ange Ward for making the very popular fried rice, and to the staff of both Gadara and Adelong Public School for all their efforts that made the day such a success.

Adelong Antique Fair This Sunday 26 March 2017

Thank you to all the children who are performing at the Antique fair on Sunday.

All children who are singing in the choir with Mr Marley, or performing the 'Bank Robbery' are to meet at the old bank, opposite the Royal Hotel at 11 o'clock. From this starting point, the children will combine with other children to parade down the street. The children have been asked to dress up as old-time goldminers, bushrangers or as a swaggie. Judges will be watching this parade to award prizes

for the best costume. Any child can join in this parade, regardless of whether they are performing or not.

After the parade, the children will sing with Mr Marley close to the S and C Club, and the 'Bank Robbery' will follow on from this. It will be very entertaining.

There are many activities that the children can partake in on the day – gold hunting for a \$5.00 prize if a nugget is found, face painting, a jumping castle, sack races, egg and spoon races and much more.

These activities are free.
