Learning to Care for your Pet

Today , Thursday 9 September 2017, Classes 1/2 and K/1 had a visit from Lyndy and Spice the dog from the Responsible Pet Ownership Program.

The children were taught how to “live safely” with pets and how to look after their pets properly. The children were also shown how to recognise an angry dog and what to do if an angry dog comes up to them. We should leave dogs alone if they are: sleeping, eating, have puppies or are hurt/sick.

Lastly, they were taught how to approach strange dogs in a safe way, and even got to practise on Spice the dog.

The children enjoyed the presentation and have learnt a lot about being safe around dogs.

Pictured below is Class 1/2 with Lyndy and Spice the spaniel and Chloe and Henry with Spice.
