The Principal's Post

I hope everyone had a chance to see the Tumut & Adelong Times this week. It is wonderful to share all the great things that our students are doing with the community.

As part of our Learning and Support program for 2018, I have introduced an initiative known as MiniLit. MiniLit is an evidence-based and effective early literacy program. It is practical, systematic, explicit and effective model for teaching reading skills.

MiniLit produces a range of programs to assist children to learn to read—from initial reading instruction to remedial program for struggling readers.

This program is being used specifically to support our students who are struggling in reading.

Reminder: ANNUAL GENERAL MEETING
Wednesday 7 March at 6.30 pm

ADELONG SHOW P&C BBQ

Last week the Roster was sent home to all families. We've only had a few returned.

We NEED HELP!

If you are heading down to the Adelong Show please give the BBQ some of your time to help. This is our major fundraiser. These funds all go towards helping the school subsidise costs for our children. Last year P&C supporters donated soft drink cans, fruit boxes and water. We would greatly appreciate again any drink donations to be sold at the BBQ. Please drop off any donations to school before the show.
