What is Harmony Day?

Harmony Day is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background.

Why do we wear orange?

Orange is the colour chosen to represent Harmony Day. Traditionally, orange signifies social communication and meaningful conversation. It also relates to freedom of ideas and encouragement of mutual respect.

Yesterday, Wednesday, 21 March 2018 all students and staff travelled to Gadara School to join with them in celebrating Harmony Day. Four groups rotated through four different activities which consisted of craft, music, games and cooking,

Children participated enthusiastically in all activities and should be congratulated on their behaviour. Most children enjoyed fried rice for lunch which they cooked for themselves during the cooking session. We would like to extend our thanks to Gadara staff and students for organising the day and welcoming us to their school.
