Naplan Testing has concluded today for all students in Year 3 and Year 5. Students are to be congratulated to their responsible attitude to this testing.

Tomorrow, Friday 18 will be the make-up day for any students that may have been absent.

Tomorrow is "Walk Safely to School Day". Walk Safely to School Day is an annual, national event when all primary school children are encouraged to walk and commute safely to school. Any student is welcome to join Mrs Casey and Mrs McCormick in the park next to the Adelong Museum between 8.30 to 8.40 am when we will leave to walk safely to school as a group.

Mrs Casey and myself will be away on Monday and Tuesday next week at an Assessment Conference in Albury. Miss Marley and Mrs Beattie will be taking our classes.

Ryelee and Jenna will be reporting on our school news this Wednesday, 23 May. Remember to tune into Sounds of the Mountains at 10.45 am.

I have organised an excursion for the whole school to visit Canberra for the day on Tuesday 19 June. This excursion reinforces and supports what the children have been learning in Science and Library so far this year.

Students in K/1/2 will be visiting the Dinosaur Museum and Questacon and the students in Years 3/4/5 and 6 will visit the Australian War Memorial and Questacon. A permission note will be sent home tomorrow outlining the itinerary and cost. I must thank the P&C also, who have donated some money to the school which will help reduce the cost of this excursion for all students.

Finally, next Friday 25 May, will be Mrs Waters last day with us as she will be going on Maternity Leave for the remainder of the year. Miss Marley will be taking over her class.

My Staff and I would like to wish Mrs Waters all the best and we are all looking forward to meeting her little one soon.
