TERM 2 WEEK 4

Principal's Post

Today, as you are all aware is Mrs Amanda Waters (Class 2/3/4) last day with us as she goes onto maternity leave. I'd like to wish her all the best.

Miss Kate Marley will be moving onto class 2/3/4 and Ms Rhiannon Clark will be joining our team. She will be taking class 4/5/6 for my Principal's Release on Thursdays and Fridays.

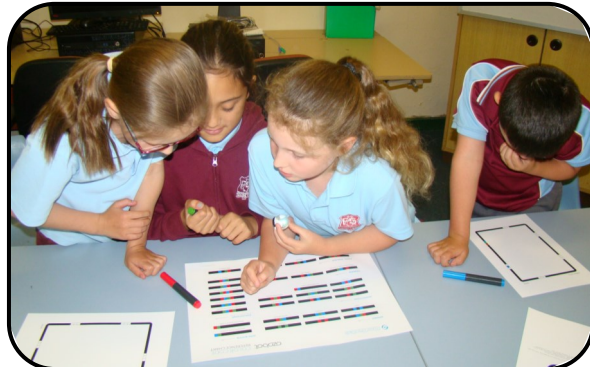

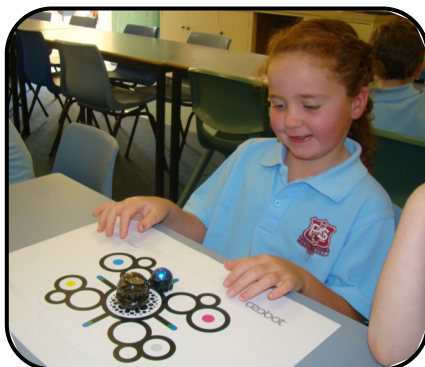

I would like to thank our school families for their appreciation and understanding through the current changes in staffing and your understanding that this is out of our control. With these changes I'd like you to please be aware that the disruption to class routines has been kept to a minimum.

It has recently come to my attention that some may feel that our fortnightly robotics program has been put on the back-burner. I'd like to assure you that this is far from what is happening. Ms. Marley has continued this program each fortnight since I have gone back on class. Now that NAPLAN is done and dusted for another year, and the growing interests and enthusiasm shown by our students in robotics, I will now be incorporating it into each classroom with their teacher following on with this program. Exciting times ahead.

Lastly, please remember that the newsletter is our main way of communicating to our community with what is happening around the school. On page 3, have a look at the different ways you can access it.

WALK SAFELY TO SCHOOL DAY

Last Friday was National Walk Safely to School Day which we joined in on.

A small group of students met up with Mrs Casey and Mrs McCormick at the Adelong Museum to walk to school together. We collected a few more students and parents along the way. Thanks for all those who made an effort. It was a great way to start the morning.
