Principal's Post

As part of our Positive Behaviour in Learning initiative for Term 3, we will be focussing on the value "Bee Respectful". Last week students and I got together to collectively decide on the meaning of being respectful and set the criteria needed to achieve this very important value.

Below is a summary list of what we discussed and considered to be important to be respectful:

- Take care of school property.
- Dress with respect and be proud of our uniform.
- Listening to teachers and others, taking turns with peers and friends.
- Be nice to others
- Helping each other and the teacher.
- Make everyone feel welcome.
- Co-operate with others.
- Value and respect the interests of other people, including culture.
- Dignity –using manners.

We have also changed the way we will be monitoring this value. From Term 3 onwards, students will receive token tickets when they have demonstrated this value. Students are given the opportunity to achieve these tokens in all classroom environments, including the library, technology room or even when delivering messages to and from the school office.

In order to receive their Be Respectful band at the end of the term, students will need to collect a total of 50 token tickets. Each student has been given a zipped pouch to keep their tokens safe and secure.

2. Put apple and butter in a saucepan and cook for 5 minutes until soft, then peel and mash bananas with the back of a fork (the riper they are, the better).
