- Busy Bees Program

Wednesday 31

- Year 6 Middle School Program, Tumut HS

ADELONG PUBLIC SCHOOL - NEWSLETTER

THURSDAY 27 JUNE 2019

— TERM 2 WEEK 9

"Busy Bees" School Preview & Readiness Program

Busy Bees is a school preview and readiness program where children and parents get a taste of school through participating in exciting and engaging activities that include Science, Technology, Engineering and Mathematics (STEM), Literacy, Numeracy, the Creative Arts and Sport.

Children engage with robotics, coding and 3D printing. They become involved in interactive reading and viewing, early numeracy games, creative and practical arts and develop their gross motor control through fun sporting activities. All whilst being part of a group with their Busy Bee t-shirts.

Our program is open to all families who have children entering Kindergarten in 2020 and 2021. So whether you are considering private or public education, come and join us and be a "Busy Bee".

Our Busy Bees program will be running across four Tuesday afternoons from 1:30 to 3:05pm.

Tuesday 30 July 2019 – Introduction to Busy Bees. Robotics, Coding, 3D Printing

Tuesday 20 August 2019 – Interactive Reading and Viewing. Creative Arts

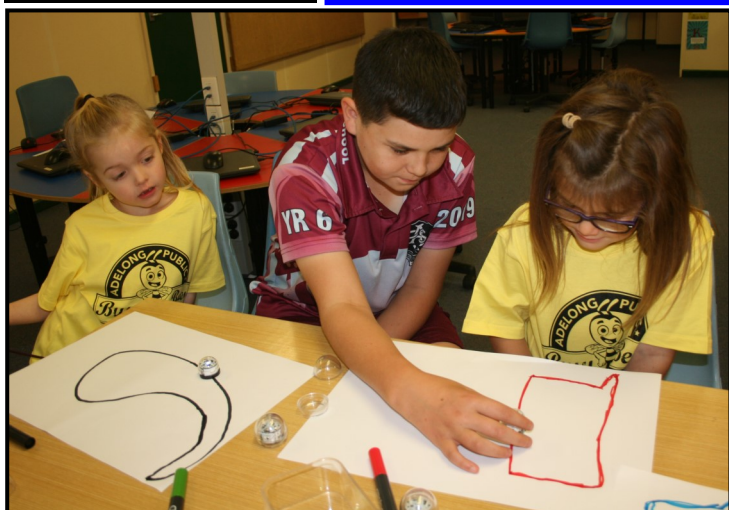

Tuesday 10 September 2019 – Early Numeracy Games and Science

Tuesday 24 September 2019 – Gross Motor Skills, Sports and Games

Afternoon tea will be provided every Tuesday. We encourage all parents to join in on the sessions.

If you are wanting to take part in our fantastic Busy Bee Program please RSVP by Thursday 4 July for catering and any dietary requirements.

For further information or enquiries please contact our friendly office staff on 6946 2053.

Gymnastics

This term K-6 students have enjoyed their weekly Gymnastics and Circus lessons with instructors Ben and Grace from 'Little Champions Gymnastics & Circus Coaching' in Wagga. All of the students have improved their balance and co-ordination skills and movement sequences each week. The Gymnastics program has been a fun and engaging component of our Physical Education lessons this term.

2/3/4 History

Year 2/3/4 students are very proud of the First Fleet Ships that they built for their STEM History project this term. The students designed and built their ships at home and then presented their project to the class, including an explanation of how their ship was made and why they chose the specific materials they used in their design. Students were also encouraged to reflect on their design and the process. Next term we will be testing the ships to see how well they can float! Mrs. Crain was very impressed with the effort that the students put in to their designs, as well as the level of creativity shown by all students.

5/6 Virtual Classroom—Korea

This year the 5/6 class are participating in a project with The University of New England Asia Connections Departments and the Busan Daechung Elementary School, Busan City, South Korea. The project runs over the year and 8 Virtual Classroom (VC) sessions. In these sessions the children are going to teach the South Korean students about their life and schooling in Australia and the South Korean students will do the same. On the 5th of June we had our first VC session and introduced our school and our students to Busan. It was a lot of fun! Our last VC was on the 19th of June and focused on music.

Important Information

- Our annual Ski Trip will no longer take place on Friday 9 August. A new date is Friday 23 August. Notes will be sent home Friday
- Year 5/6 Broken Bay Camp is 17 weeks away. Payment of \$354 per student is due by September 27th and parents are welcome to make part-payments over time. This can be done on the school website, via EFT or cash.
- Tennis will run in Term 3 for 6 weeks. The school is still awaiting approval of our Sporting Schools Grant so the cost to families will be confirmed in Term 3.

DATE	CANTEEN ROSTER	
Friday 28 June	Kerrie McDonald	Kathy Weaver
Friday 5 July	Maria Contessa	Jess Walsh
