All volunteers need to show proof of their COVID-19 double vaccination certificates and provide evidence of their Working With Children Check.

Minutes lost = days lost per year

A couple of minutes here and there doesn't seem like much, but...

When your child misses just... they miss days per year

5 mins per day = 3 days

30 mins per day = 18 days

Patterns of lateness can have a serious impact on your child's education.
