EDUCATION WEEK CELEBRATIONS

On Thursday 3 August, staff and students, together with parents and grandparents celebrated Education Week, here at Adelong Public School.

The proceedings began with an assembly, where our classes each presented an item to the audience. K/1/2 read out some amazing stories they had created from the 'ideas jar' on Mrs Waters' table. These were fantastic and showed how well our students were progressing with their writing. 3 / 4 students 'got their groove on' with a dance performance to the song "Happy". Year 5 /6 presented a poem called "Sick", with them making a miraculous recovery when they realised that today was Saturday.

Parents and grandparents were then invited to join the students in making a 'Hairy Headly'. There were some really great creations, and everyone got to take one home.

Parents, grandparents, and students also visited the library, that was fabulously decorated by Mrs Drury, and purchased many books from the Book Fair.

Following this, a sausage sizzle lunch was enjoyed by everyone.

Thank you for your support of our school. We hope everyone enjoyed their special time at our school.
